

GRADUATE MANAGEMENT SCHOLARSHIPS

The Australian Institute of Management is held in high regard in the business community for its dedication to the development of management and leadership.

The AIM Graduate School is an independent provider of higher education qualifications as accredited by the Tertiary Education Quality and Standards Agency (TEQSA).

AIM Graduate School is accredited to provide two postgraduate qualifications, benchmarked to university level to support career aspirations of Australian managers.

In addition to the postgraduate qualifications delivered by the AIM Graduate School, the Institute offers over 120 short courses and VET sector qualifications. This provides a unique management education pathway for Australian managers.

BUILD YOUR CAREER CAPITAL

The philosophy of the AIM Graduate School is to make real connections with business and senior managers and to develop leadership skills applicable to the Australian business environment.

The Scholarships

The AIM Graduate School will offer a number of distance scholarships for the next academic year.

The purpose of these scholarships is to provide a highly practical learning experience for practising managers, with an emphasis on the application of thought leadership in management within an organisational context.

Scholarships will be awarded for the Graduate Certificate Professional Management to applicants seeking a well-respected qualification in general management either in its own right, or as a pathway to further study, including direct credit to an MBA.

Scholarships will be offered to applicants who wish to pursue their studies by distance delivery, and will cover tuition fees only.

Eligibility for Scholarship

Scholarships are available to practising managers in public, private and not-for-profit organisations. Candidates can be in management positions within their organisations.

Applicants must be of Australian nationality, must be proficient in English and must indicate their desire to pursue study in distance mode.

Selection of Applicants

Selection of the successful applicants will be based on information provided in the application form and a personal interview. The information sought will include:

- » **Work experience and depth of managerial experience**
 - » **Intention to contribute to the management profession**
 - » **Specific benefits to the applicant in completing a postgraduate course/award**
 - » **Ability of the applicant to contribute to the management and broader community**
 - » **Educational background**
- Applicants who have not completed formal tertiary academic studies must meet the AIM Graduate School admission criteria:
- » **Five years relevant management experience**
 - » **VET Diploma plus three years relevant management experience**

SCHOLARSHIP APPLICATION PROCESS

Scholarship applications open 2 September and close 25 October 2013.

All applicants will be contacted by the AIM Graduate School Academic Director within three weeks of the closing date.

Awarding of Scholarships

Applicants will be shortlisted and interviewed by the Scholarship Panel consisting of the AIM Graduate School Academic Director, General Manager Professional Development and Research, and a member of the AIM Graduate School Faculty. All scholarships will be ratified by the AIM Graduate School Academic Board.
